August 2020

DPMS Families,

We hope this letter finds your families healthy and happy as we approach the beginning of the 2020 -21 school year. The new year always brings about excitement and enthusiasm for our students and staff. Even though we will be remote, those emotions are still present. We recognize that the typical school day will be different, but please know we will be here to support and work through this together. Our theme this year, **UNITY: IT BEGINS WITH YOU**, is the foundation of how we will navigate through during these times. We are here to help, guide and answer questions you may have. The start to a great school year is just around the corner and we are looking forward to it.
